MOTION CARRIED (10 to 0)**6.2 Sidewalk Snow Clearing Service Levels**

Council debated changes to the current sidewalk snow clearing program. After extensive discussion, concern was raised that the full economic impact of the pandemic is not yet known.

Recommendation**Moved By** Councillor Froude**Seconded By** Councillor Lane

That in the coming weeks, staff put forward a plan:

- To ensure resources are used efficiently on the most important routes: that staff review the priorities of sidewalks, laneways and stairways with recommendations to Council this fall on changes to make.
- To address the quality of the clearing of sidewalks, as it's sometimes that the area of grass or curb adjacent to the sidewalk is cleared, which makes for a poor quality pathway.
- The enforcement of existing bylaws that prohibits obstruction of a sidewalk by snow removal.

- And whether there is a potential deprioritization of some side roads, to free up resources.
