Pedestrian Mall Presentation & Discussion

Council requested feedback from the Inclusion Advisory Committee regarding the Downtown Pedestrian Mall. Members compiled a feedback document to be shared with staff and Council. This feedback was provided to the Manager of Organizational Performance and Strategy for inclusion in the report to Council and has been appended to the agenda.

Moved By Kimberly Yetman-Dawson **Seconded By** Margaret Tibbo

That Council review the recommendations put forward by the Inclusion Committee for the Downtown Pedestrian Mall and share with all relevant parties. Recommendations include considering implications for those with vision loss such as wayfinding, indication of an upcoming ramp and obstacles on sidewalks; ensuring ramps meet code, are slip-resistant and lead to a deck that can be maneuvered by a wheelchair; access to accessible washrooms for Pedestrian Mall users; accessible parking located inside the mall was hazardous; and a need for inclusion education amongst business and security staff in the area.
