Date Prepared: March 9, 2021

Report To: Committee of the Whole

Councillor and Role: Councillor Jamie Korab, Community Services

Ward: N/A

Decision/Direction Required: Council approval of recommended 2021 Grant allocations.

Discussion – Background and Current Status: The City of St. John's grants and subsidies program makes available limited financial and other resources to non-profit groups, organizations and individuals whose programming supports the City's Strategic Directions.

Applications were received under the following categories;

- Community Groups and Organizations
- Special Events and Festivals
- Sport Groups and Organizations
- Youth Travel Sport and Non Sport
- Artist and Arts Organizations

The grants to Individual Artists were reviewed by a jury of their peers. Key considerations taken into account by the jury included;

- Support to artist development of the individual artist
- Contribute to the growth and sustainability of the St. John's arts community
- Impact on the overall community.

The grants to Community, Art Organizations, Sport, and Special Events and Festivals were reviewed by an internal grants committee. Key considerations included:

- The association's current financial status.
- The program's alignment with the City's strategic directions
- Impact on the overall community.

In order to apply consistent principals across all applicants and to accommodate new requests, some groups have seen a reduction in funding while **37** new applications are being recommend for funding. These are identified in the attached chart.

After implementing the attached recommendations the following is the net budgetary impact:

ST. JOHN'S

Grant Type	Recommended
Community Groups	\$691,600
Sport Groups	\$170,950
Artists and Art Organizations	\$271,750
Special Events and Festivals	\$82,250
Total	\$1,216,550

When reviewed in their entirety there is \$67,850 remaining in the overall grants. It is recommended that Council retain this amount for situations where a decision is pending or for any other item which may arise before the end of the year.
