We live at [REDACTED], on the intersection of Pleasant and Patrick Streets. I have no issues with the discretionary use application submitted in regard to 200 Pleasant Street. Thank you for the opportunity to comment on this matter.

Re: 200 pleasant Street.

I am not concerned about the conversion of the Dwelling unit into a 2 bedroom dwelling unit.

I am however as a resident of [REDACTED] very concerned about the bats, pigeons, rats etc.... that have occupied the grace Hosp nurses residents. With this pandemic & viruses taking over. I am appalled by the council. Standing by & watching this catastrophe unfold. This is an accident waiting to happen. I have exhausted all efforts. I have contacted gov. & council. Health & Safety etc....

I would like an explanation as to why this has not been addressed. Is anyone listening!!

I would love to improve my property, But why. The eyesore & germ fest. is not going anywhere.

Thank - you. for your concern.
