**3.2 LENGTH OF TERM**

**Public Member Experts**

Unless otherwise indicated, the Built Heritage Panel term of appointment is two years. Recognizing the value of experience and the need for continuity, incumbents who are willing to seek reappointment may signify their intent to serve an additional two years, for a total of four years. In some cases members may be encouraged to provide guidance, expertise and attend in a bridging capacity following the end of their term.

**Cooling-off Period (Former City Staff and Council)**

There will be a cooling-off period of two years for Council and Staff once they are no longer associated with the City. Setting term lengths with a cooling-off period will promote gradual turnover, ensuring a constant balance between new members and former staff or council.

**Additional Considerations:**

- Public members may not serve on more than one experts' panel at a given time.
- Midterm Appointments: When an appointment is made which does not coincide with the beginning of a term (i.e. to fill a vacancy) the partial term (i.e. less than two years) shall not count towards the maximum

length of service or number of terms on the Committee for the appointee.

Exceptions to the above terms are as follows: when an insufficient number of applications have been received; if a particular area of expertise is indispensable and there are no other suitable replacements; if the experts panel would suffer from a lack of continuity (i.e. more than half of all members are replaced at once); if directly related to the Advisory Committee’s purpose as defined in its Terms of Reference.

**4. ROLES, RESPONSIBILITIES AND REPORTING**

**4.1 ROLES AND RESPONSIBILITIES**

**As a municipal Experts Panel, roles include:**

- Advising and making recommendations to the Committee of the Whole in a manner that will support City policy matters relevant to the panel’s defined purpose.
- Providing expertise specific to the mandate of the panel.
- Working within given resources.
- Consider working with other committees and/or working groups i.e. Downtown Advisory Committee and Arts and Culture Advisory Committee
- Explore opportunities to add value to parks, open spaces, etc. as heritage and design go beyond buildings.

**Shared Member Responsibilities**

**Conduct**

Members shall strive to serve the public interest by upholding Federal, Provincial and Municipal laws and policies. Experts Panel members are to be transparent in their duties to promote public confidence. Members are to respect the rights and opinions of other committee members.

**Preparation**

Meeting agenda and accompanying materials will be circulated electronically one week prior to all meetings; members are expected to review all distributed materials prior to meetings. Alternate material distribution methods to be made available upon request.

**Agendas**

- Agendas to require focus with clear parameters for content and alignment with terms of reference/purpose.
- Agendas will be finalized one week before meetings.

- All public members are to submit potential agenda items and related material to the Committee Chair and Lead Staff person for consideration.

**Attendance and Participation**

Active participation in meetings is expected of all public members. “Active participation” may refer to both meeting attendance and/or engagement. An effort should be made to attend meetings in person or remotely. Members who do not actively participate in more than 3 consecutive meetings without justified absence may be retired from the committee at the discretion of the City Clerk.

Members who wish to request a leave of absence for an extended period of time (3+ months) may submit such a request to the City Clerk. Previously submitted applications may be used to fill temporary vacancies created by approved leaves of absence.

Quorum – a quorum for meetings is considered to be 50% + 1 members in attendance.
