## Issue:

**Discussion – Background and Current Status:** Planning for the 2022 Quidi Vidi Village Pedestrian Zone is underway. The proposed event plan is based on experience from the 2021 Pedestrian Zone, as well as feedback received from the engagement process conducted in the fall of 2021. The engagement process included feedback from the public, area businesses both inside and outside the event footprint, and various other stakeholders.

## Event Dates:

In 2021, the Pedestrian Zone ran for 6 weekends starting July 5 to September 5. This year we would have the Quidi Vid Pedestrian Zone coincide with the dates of the Downtown Pedestrian Mall.

## Road Closure:

The Transportation Division recommends to close Barrow's Road and Stone's Road to through traffic only from noon to 10 p.m. Only local traffic permitted. Friday to Sunday from June 30 to Sept. 5. Local traffic is defined as residents of the Mapleview Place, Barrows Road and Stones Road. Access to be granted for Plantation vendors and deliveries for business as well as users of the slip way for recreational fishing.
