Subject: (EXT) Home Childcare 54 Valleyview road (Kilbride)

Good morning

I have received a notice in the mail that there will be in-home childcare on 54 Valleyview road. Do you have any information on the person who will be running this business and how to get in contact with them.

Thanks a million

Subject: (EXT) 54 Valleyview Rd

I would like to remain anonymous. I am not fond of the idea of another business starting up on Valleyview rd. The road was once a very quiet street with not much traffic and now has become a very busy street with different in house businesses running on this particular rd. I've [REDACTED] never seen so much traffic coming and going. I am not in favor of another business in my residential neighborhood.

Thanks
