Subject: (EXT) Re text amendments on day cares

Respectfully request that all day cares whether they be business or at home care must have air conditioning. Many do not, even large business. It is cruel and unsafe for the workers and children. Thank you

Planning St. John's: Text Amendment: Daycare Centre

Visitors Summary

City of St. John's from 21 Aug 2023 to 13 Oct 23

DAILY MONTHLY

Highlights

Survey Response	
Your comments	What is your overall feedback of this application?
Daycare should be regulated and municipal daycare should be on par with provincial regulations.	Support
I think it is a good idea. It gives consistency to the requirements. So would be less confusing to potential daycare providers.	Support
