re: Proposal Submission
by Dunphy Properties Inc. (556 Topsail Road)

We have examined the above submission, and wish to submit our considered feelings on this proposal. At present, the submission, including the proposed office, including the use of nine employees, a parking lot, and accommodations for employees, utilizing the space for a hair salon is totally unacceptable. This proposal will affect our daily lives very negatively, as outlined above.

Please give your undivided attention to our submission in which we are totally concerned and opposed to this proposed development.
