**Subject:** Change Application Galway residential GP Incorporated PDM-1 Donegal Run

Regarding request to make comments on your city letter issued to us, what can you provide to allow us to understand what are the changes being requested against what is currently approved for the Galway development? We are against any change which results in higher density in dwellings, anticipated higher number of residences, additional residence vehicles on roadways, and in covenants that we signed when we purchased the land to build. We bought into a planned community that was presented when we purchased and don't want changes that result in any reduced value in our investment or the community communicated to us upon purchase.
