

DECISION/DIRECTION NOTE

Title: 5 Church Hill, Roof Deck

Date Prepared: May 6, 2020

Report To: Built Heritage Experts Panel

Councillor and Role: Councillor Maggie Burton, Planning & Development

Ward: Ward 2

Decision/Direction Required:

To seek approval for a roof deck, located at 5 Church Hill.

Discussion – Background and Current Status:

The City has received an application for a roof deck, located at the rear of the dwelling at 5 Church Hill. The subject property is located within Heritage Area 1, the Commercial Downtown District of the St. John's Municipal Plan and is zoned Commercial Central Mixed Use (CCM). The building is not designated by Council as a Heritage Building.

As per Section 5.9.4 Heritage Area Standards (Table) of the St. John's Development Regulations, roof decks are not permitted in Heritage Area 1 unless they are an original feature of the structure. The roof deck proposed is not original to the structure and will be located on an extension at the rear of the dwelling. The rear of the property is adjacent to a neighbouring parking lot, does not face a public street and is not clearly visible from Henry Street. For design elements that do not meet the Heritage Area Standards, Council may approve the design through a comprehensive design package submitted by the applicant.

In addition to the application at hand, staff request the Built Heritage Expert Panel's recommendation on roof decks in Heritage Area 1 in general, i.e. if changes to this regulation may or may not be required.
